The Simultaneous Policy

Name	Address (No./ Street/ town)	Postcode	email/telephone	I have already Adopted	I Adopt today

The Simultaneous Policy (SP) is a package of global rules to be developed and approved by SP Adopters around the world. SP Adopters undertake to vote for any candidate at elections, within reason, who pledges to implement the Simultaneous Policy when all, or sufficient, other governments have made the same pledge. Alternatively, SP Adopters undertake to work to encourage their preferred political party to pledge to implement the Simultaneous Policy. Adoption is provisional - you may withdraw your support for the process at any time.

Your contact details will be used by your local SP Adopters Group to keep you informed of group events and by the National and International Simultaneous Policy Organisation to keep track of the number of Adopters and to send you information on the campaign. You may opt out of mailing lists at any time.

Your details will not be passed to any other organisation of any kind.
